

REMARKS

Claim 3 is amended at the first line of the first paragraph to underline the character "A": this underline was unintentionally omitted in the previous amendment mailed 03/22/2005.

Claim 3 is amended at the second line of the fifth paragraph to delete "second", which lacked antecedent support, and to insert therefor -- curved -- which receives antecedent support from "curved end" in the second line of the second paragraph of claim 3.

Claim 4 is amended at the end of the fourth paragraph to replace an erroneous period with a semicolon.

Claim 5 is amended to depend to claim 3 since claim 1 has been canceled and claim 3 is now the base independent claim.

It is believed that the amendment submitted 03/22/2005 taken together with the present corrective amendments place the application in condition for further examination and allowance. Such action is earnestly requested.

No additional fee is seen as required,

Respectfully submitted,
